

**E-CAR TEST DRIVE (OUTDOOR)
SUPPLEMENTARY AGREEMENT TO THE APPLICATION FORM FOR THE SMARTER E EUROPE 2019**

E-mobility needs to be experienced live! Anyone who's been for a spin in an electric vehicle can tell you that. Seize the opportunity to offer our 50,000 interested trade visitors a free test drive of your latest vehicle models.

Who can participate?

Suppliers of electric passenger cars and commercial vehicles who book a booth at one of the exhibitions belonging to The smarter E Europe or in the special area of Power2Drive Europe in hall C3 and who offer visitors the opportunity to test their vehicles out as part of the E-Car Test Drive (Outdoor).

Participating companies will enjoy:

- A 4x5 m booth which can be booked in the special area of hall C3 for presenting a vehicle to attract visitors to the E-Car Test Drive (Outdoor), at the special rate of €120/sqm, added to the Test Drive participation fee of €550 for a total of €2,950 plus external costs (Association of the German Trade Fair Industry, catalog entry, waste removal).
- Exhibitors who have already booked a booth at one of The smarter E Europe exhibitions may take part in the E-Car Test Drive (Outdoor) for a fee of €550.
- All participants will be included in the regular exhibitor list with the designation E-Car Test Drive (Outdoor) Participant.
- All participants will receive an additional mention (logo and link) in the Power2Drive Europe online exhibition program.

Included in the price:

At the E-Car Test Drive (Outdoor) starting point (parking lot P3):

- Parking spots for the vehicles
- Charging facilities for the vehicles
- Space for advertising materials (pop-up tent, banners etc.) upon consultation

In the special area of hall C3:

- Check-in area
- Booth construction incl. floor covering, brochure stands and bistro table
- Booth cleaning
- Simple booth customizations possible upon consultation (e.g. roll-up banner)

Organizers

By signing this supplementary agreement, we confirm that we will participate in the E-Car Test Drive (Outdoor) at Power2Drive Europe 2019. Notwithstanding the services, obligations and prices specified in the application form and the general terms and conditions of participation, the following applies to participation in the test drive:

The organizers of Power2Drive Europe allow the exhibitors to offer on-road test drives of electric vehicles, starting from parking lot P3 and passing through Gate 19.

The exhibitor must sign a disclaimer of liability in order to take part in the test drive. The exhibitor must ensure that visitors sign a liability agreement before beginning their E-Car Test Drive (Outdoor). The liability agreement shall be issued by the exhibitor both in German and in English and submitted to the organizer. The test vehicles must be registered with the organizer (vehicle manufacturer and license plate number) and be approved for use in traffic.

The vehicles must be available for the test drive for the entire duration of the exhibition. The test drives are to be organized entirely independently by the participating exhibitors. During the exhibition, the area will be staffed by supervisors (who will check that the exhibitor is entitled to use the test drive area and that test drivers are licensed to drive and have signed a disclaimer of liability). A night guard will be present on Wednesday and Thursday night.

We are already registered to exhibit at _____ 2019 and would like to participate in the E-Car Test Drive (Outdoor): Fee of €550

We would like to book 20 sqm in the special area of hall C3 and participate in the E-Car Test Drive (Outdoor): Fee of €2,950 plus external costs

We will be bringing the following vehicles/charging stations (please state the type, manufacturer, license plate number and quantity)
