By signing the application form for Power2Drive Europe 2019 and this supplementary agreement, we confirm that we will participate in the Light Vehicle Test Drive at Power2Drive Europe 2019.

Notwithstanding the services, obligations and prices specified in the application form and the general terms and conditions of participation, the following applies to participation in the Test Drive:

- The organizers of Power2Drive Europe allow the exhibitors to offer test drives of light vehicles inside of Hall C3 within the scope of a Light Vehicle Test Drive as indicated.
- The exhibitor must sign a disclaimer of liability in order to make use of the test drive area provided by the organizer. In the agreement, the exhibitor shall fill in a maximum liability sum which is to be defined according to the value of the vehicles made available.

- The exhibitor must ensure that visitors sign a liability agreement before beginning their test drive. The liability agreement shall be issued by the exhibitor both in German and in English and submitted to the organizer as a blank form to be filled in.
- The organizer must be notified of the test vehicles in advance, and the vehicles must be stationed in the Light Vehicle Test Drive area during the test drives.
- The test vehicles must be available for the Test Drive for the entire duration of the exhibition. During the exhibition, the area will be staffed by supervisors (who will check that the exhibitor is entitled to use the Test Drive area and that the test driver has signed a disclaimer of liability). A night guard will be present on Wednesday and Thursday night. The test drives are to be organized entirely independently by the participating exhibitors.

- We hereby book a booth in the special area Light Vehicles as well as participation in the Light Vehicle Test Drive (please fill in the booth size in the regular application form)

We will be bringing the following vehicles (please state the type, manufacturer and quantity)
