

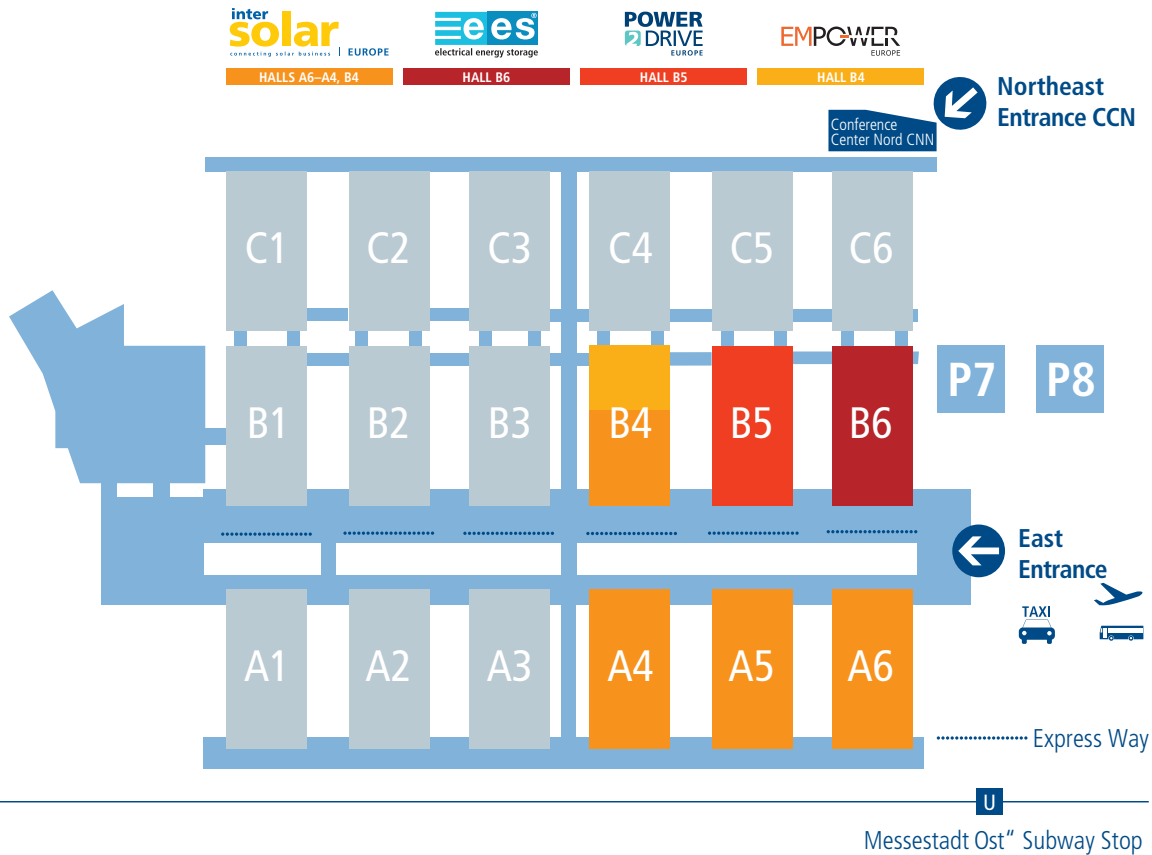

EXHIBITION SITE PLAN RESTART 2021

A4 Intersolar Europe

- PV Inverters
- PV Monitoring, Measurement & Control Technologies
- PV System Providers, PV Distributors, PV Products, PV Services, Solar Thermal Technologies
- PV Mounting Systems
- PV Tracking Systems
- Off-Grid Power

A5 Intersolar Europe

- PV Cell and Module Manufacturers
- PV Production Technologies, Materials, Components and Accessories
- PV System Providers, PV Distributors, PV Products, PV Services, Solar Thermal Technologies

A6 Intersolar Europe

- PV Cell and Module Manufacturers

B4 Intersolar Europe

- PV Inverters
- PV Monitoring, Measurement & Control Technologies

B5 ees Europe

- Stationary Battery and Energy Storage Systems
- Power-to-Gas, Hydrogen, Fuel Cells

B6 ees Europe

- Stationary Battery and Energy Storage Systems
- Battery Manufacturing Technologies
- Battery Materials and Components
- Battery Testing and Research

B4 EM-Power Europe

- Smart & Microgrids/Smart Metering
- Monitoring/Yield Forecasts & Integration of Renewable Energies
- Virtual Power Plants/Flexibility Management
- Energy Management & Building Automation
- Decentralized & Renewable Energy Supply
- Energy Services/CO₂ Auditing
- Start-Up Area The smarter E Europe

B5 Power2Drive Europe

- Charging Technology and Infrastructure
- Electric Mobility, Mobility Services
- Solar Carports and Bikeports

C6 Conference + Networking Area
