

JOINT BOOTH BUNDESVERBAND eMOBILITÄT SUPPLEMENTARY AGREEMENT TO THE APPLICATION FORM

Bundesverband eMobilität
Neue Mobilität

By signing the application form and this supplementary agreement, we confirm that we will participate at the Joint Booth Bundesverband eMobilität. These special conditions are exclusive for members of the Bundesverband eMobilität.

The joint booth follows a sustainable approach, e.g. less floor covering or booth construction made of local woods, produced by local suppliers (resource-saving).

Notwithstanding the services, obligations and prices specified in the application form and the general terms and conditions of participation, the following applies to participation in this special area:

- Participants will be included in the regular exhibitor list, with the designation "Joint Booth Bundesverband eMobilität".
- The organizer is responsible for the booth construction. Other structures must fit the overall concept of the joint booth and are therefore only allowed in consultation with the organizer.
- Participants at the joint booth can register max. one co-exhibitor.
- Participation at the joint booth is limited to three participations.

Price:

459€/sqm (excluding VAT)

These benefits are included:

- Presentation space (10 sqm)
- Booth construction: floor covering, spotlights back wall (with logo/lettering, see illustration above), decoration, storage space and seating
- Furniture: lockable counter with logo imprint, bar stool, brochure rack
- Electricity connection and consumption (up to 3 KW included, but Messe München will nevertheless issue an invoice for an advance payment. This amount will be refunded after the event if the 3 KW is not reached)
- Booth surveillance outside opening hours
- Daily booth cleaning
- Entry in the official exhibitor lists
- Association of the German Trade Fair Industry contribution

Branding of the back wall is recommended to increase visibility and can be booked separately (with costs).
