

JOINT BOOTH AVERE SUPPLEMENTARY AGREEMENT TO THE APPLICATION FORM

By signing the application form for The smarter E Europe 2024 and this supplementary agreement, we confirm that we will participate in the AVERE Joint Booth. These special conditions are exclusive for members of AVERE as well as for the members of the national associations.

The joint booth follows a sustainable approach, e.g. less floor covering or booth construction made of local woods produced by local suppliers (resource-saving).

Notwithstanding the services, obligations and prices specified in the application form and the general terms and conditions of participation, the following applies to participation in the joint booth:

- Participants will be included in the regular exhibitor list, with the designation "Joint Booth AVERE".
- The organizer is responsible for the booth construction. Other structures must fit the overall concept of the joint booth and are therefore only allowed in consultation with the organizer.
- Participants at the joint booth can register max. one co-exhibitor.
- Participation at the joint booth is limited to three participations.

Price:

459€/sqm (excluding VAT)

These benefits are included:

- Presentation space (10 sqm)
- Booth construction: floor covering, back wall (with logo/lettering, see illustration above), lighting, decoration, storage space and seating
- Furniture per exhibitor: lockable counter including logo imprint, bar stool, brochure rack
