New financing round for chargecloud: double-digit million euro funding for growth and expansion in Europe

Shareholders RheinEnergie and MENNEKES reaffirm their commitment to e-mobility.

Cologne, May 5, 2025: chargecloud GmbH, a leading provider of e-mobility software, has received a commitment from its shareholders for a mid-double-digit million euro amount. This growth financing not only strengthens the company's development but also represents a clear step toward internationalization and the development of additional European markets.
