

We have some exciting news to share with you !

As part of our continued global expansion, Gresgying has reached a major milestone in our journey to deliver smarter New Energy and EV Charging Solutions worldwide.

Today, we are proud to announce the next evolution of our brand:

Gresgying is officially transitioning to our new global identity — Lumosenergy

A new with a global vision. The same commitment to powering a smarter, cleaner and more connected energy future.

This transformation reflects our ambition to deliver end-to-end solutions to support every stage of your charging infrastructure journey — from planning and deployment to long-term optimisation, service and success. This is backed by our extensive industry expertise accumulated over the past decade:

-  **US\$1bn Market Cap**
-  **170,000+ DC Chargepoints Delivered**
-  **40+ Countries Deployed**

To celebrate this important milestone, we would be delighted to invite you to join us at the Lumosenergy Global Brand Launch in Munich, held during the Power2Drive exhibition. It's more than networking—it's a party night to remember. Join us at The Westin Grand Munich for an evening of exquisite cuisine 🍷, premium drinks 🍹, vibrant music 🎵, and a dance floor 🕺 ready for action.

Connect with the leading minds of the EV industry in a relaxed, *upscale atmosphere*. *We'll have exclusive prizes for attendees on the night. Let's celebrate the future of energy in style!*

 **Date & Time:** 18:00-22:00, 24 June 2026

 **Venue:** The Westin Grand Munich, Arabellastraße 6, 81925 Munich, Germany

 **Shuttle Service:** A dedicated business shuttle bus service will take registered attendees from the Power2Drive exhibition venue to The Westin Grand Munich. Please meet at the Power2Drive exhibition venue at 17:00.
